Sir,

I have the honor to submit herewith an alienation Statement showing the particulars of land recommended to be granted to the villagers of Kadanigondanhalli in the Chellakere Taluk.

2. The present village is situated on the bank of the River Vedavati which has been gradually encroaching upon it, and covering the houses with sand. The inhabitants have therefore selected Survey No. 78 as the site most suited for the removal of their village. The Amildar reports that there are no suitable unassessed lands available

available for the purpose and that 18 acres out of No. 78 is necessary for the villagers to build their houses and Cattle shed on and also for new ryots who may come there and settle hereafter.

3. Under the above circumstances I beg that the alienation recommended may be sanctioned and the assessment viz: Rs: 5-8-0 ordered to be struck off the accounts.

4. The vernacular correspondence ending with Chellakere Amildar's report No. 1142 dated 30th May 1893 is submitted for reference and kind return when no longer required.

I have the honor to be
Sir
Your most obedient Servant
